Dear Chair DeFazio and Ranking Member Graves:

I am requesting funding for Hydrogen Infrastructure Tank Increase in surface transportation reauthorization legislation.

The project sponsor for this project is SARTA and the project is located at 1600 Gateway Blvd SE, Canton, Ohio 44707.

The funding is designated for upgrading the main hydrogen holding tank.

The project is an appropriate use of taxpayer dollars and is anticipated to have the following benefits: will reduce emissions and increase preventive safety measures.

I certify that neither I nor my immediate family has any financial interest in this project.

Sincerely

Bob Gibbs
Member of Congress
