Dear Chair DeLauro and Ranking Member Granger:

I am requesting funding for Kent State University Tuscarawas Campus at 330 University Drive NE, New Philadelphia, Ohio 44663.

The project's purpose is as follows: Funds from the grant will be used for equipment such as beam apparatus data acquisition system, CNC trainers and turning machines, electrical/mechanical (mechatronics) trainers, automated virtual welding (portable simulator), fuel cell trainer, engineering-level computers, machine shop equipment (scroll saw, safety equipment, set-up), digital oscilloscopes, and other industrial maintenance training simulators to enhance existing programs and facilities at Kent State University at Tuscarawas and the Buckeye Career Center. The \$250,000 Community Project Funding request will significantly enhance the overall project and will enable the purchase of advanced manufacturing instructional equipment.

I certify that neither I nor my immediate family has any financial interest in this project.

Sincerely

Bob Gibbs
Member of Congress
