The Honorable Nancy Pelosi
Speaker of the House
H-232 The Capitol
Washington, DC 20515

Speaker Pelosi,

In accordance with the Centers for Disease Control and Prevention (CDC) guidance released on May 13, 2021 we urge you to immediately return to normal voting procedures and end mandatory mask requirements in the House of Representatives.

CDC guidance states fully vaccinated people no longer need to wear a mask or physically distance in any setting except where required by governmental or workplace mandate. It is time to update our own workplace regulations. Every member of Congress has had the opportunity to be vaccinated, and you have indicated about 75 percent have taken advantage of this opportunity.

The United States Congress must serve as a model to show the country we can resume normal life through vaccination. Let's follow the science and get back to work.

Sincerely,

Bob Gibbs
